Metro Drug Coalition

MDC's Community Coalition is a grassroots initiative with a main goal of preventing substance misuse in Knox County, especially among youth. Our Coalition also consists of project groups that implement activities throughout the year to enhance our mission and increase community involvement. We invite you to join us to see if the Community Coalition is a good fit for you! We currently meet on the fourth Tuesday of the month from 12-1 pm. To keep up with meetings and other events, scan the QR code to sign up for our newsletter and follow us on social media!
